

VISION

A community in which domestic and family violence is unacceptable.

MISSION STATEMENT

To provide a holistic approach to people affected by domestic and family violence with the necessary support and resources to alleviate poverty, distress, homelessness and ill-health to break the cycle of domestic and family violence.

SERVICE VALUES

1. Domestic and family violence is a violation of human rights that is not acceptable in any community or culture.
2. We are committed to the values of integrity, respect and accountability.
3. We value and encourage care, excellence, innovation, creativity, leadership and equity within our organisation.
4. We demonstrate our values through effective engagement with other stakeholders.
